BURGUNDY

Domaine Bruno de Clavelier

Our Portfolio Winery

This small 6.54 hectares family domaine in Vosne-Romanée is one of the most terroir-driven and the most sought-after by Burgundy insiders from all over the world. The current owner Bruno took over from his father in 1987 and since 2000 it has been completely converted to biodynamic viticulture. Bruno believes in non-intentional wine-making, allowing the wines to express truthfully their respective origin. Bruno Clavelier's wines are admired for their crystalline precision and purity, ultra finesse and transparent expression of terroir. Most of domaine's vines are more than 80 years old, offering superb concentration without the slightest heaviness. The style and quality are consistent across all levels, from the simple yet delightful Bourgogne Passetousgrains to powerful yet elegant Corton Rognet. However, the domaine's most famous wine is perhaps its Chambolle-Musigny 1er Cru La Combe d'Orveaux, nicknamed by some "Le Petit Musigny". This 85-year old vineyard is adjacent to "La Combe d'Orveaux" part of Musigny Grand Cru, enjoying the similar soil composition and exposure, and in Bruno's masterful hands, it displays the same "iron fist inside a velvet glove" character as Musigny. The domaine also produces four Vosne-Romanée "lieu-dits", four village wines with distinctive terroir characteristics.

Michel Gaunoux

Our Portfolio Winery

The most respected yet the most low key domaine in Pommard, Domaine Michel Gaunoux is considered by its peers and the critics alike as THE reference of the appellation (Pommard). Allen Meadow called it one of the finest domaine in all Burgundy and it counts Michelin restaurants such as Taillevent, La Tour d'Argent and Guy Savoy, as well as the owner of DRC Aubert de Villaine as its royal long time clients. The late Michel Gaunoux was considered the most talented wine-maker of his time, building up the domaine's legendary status. Following his premature death in 1984, his widow and his son Alexandre took over and the style and quality remain the same. Gaunoux's wines are made in a very traditional way with the longevity for aging. The domaine is famous for its extensive cellar, storing older vintages going back to 1920s and 1930s, extremely rare in today's Burgundy. Commercially, Michel Gaunoux releases its bottles several years later than most of its peers and declassifies its wines in lesser vintages, such as in 1986, 1991 and 2000, when it considered the quality was not up to the usual high standard. The style of Michel Gaunoux wines is rich, deep with supple elegance. These perfumed wines have wonderful velvety texture on palate even when young, yet are also built to age for decades. Domaine's Pommard holdings include two most famous 1er Crus: Rugien-Bas and Grands Epenots, both official candidates for the promotion to Grand Crus. The domaine's Corton and Beaune are also superb.

Jean & Sebastien Dauvissat

JEAN & SEBASTIEN DAUVISSAT

Our Portfolio Winery

The DAUVISSAT family owns the domain since 1899. This family vineyard stretches over 9 hectares, planted with vines averaging 20 to 40 years (50 years for the Cuvée "Vieilles Vignes"). The cellars which are located under a house in the 17th century (former Rectory Petit Pontigny), were enlarged in 1980, and house wines at an average temperature of 10 to 15 degrees year round.

Jean Dauvissat is the cousin of Vincent Dauvissat known as the greatest Chablis producer

Maison Morey-Blanc*Our Portfolio Winery*

The Morey family origins can be traced back to at least the sixteenth century. The family has been living in Meursault since 1793, and before then, in Chassagne-Montrachet. Each generation has worked the vineyards and made wine from the local grapes.

The total area of the domaine is 11 hectares, distributed in different parcels located in the districts of Monthelie, Pommard, Puligny-Montrachet, and, of course Meursault. All the vineyards were cultivated following organic agricultural practices from 1992 to 1997, at the end of this period the domaine became 100% biodynamic.

Pierre Morey of course took a great role behind the success of Domaine Leflaive as he is the former winemaker of the said domaine from 1988 until 2008.

Domaine Herve & Anne Sigaut

Our Portfolio Winery

Domaine Sigaut is another real hidden treasure of Burgundy, located in the heart of Chambolle-Musigny. It has 7 hectares of top vineyard holding, spreading across five Chambolle-Musigny 1er Crus, two Morey-Saint-Denis 1er Crus and villages level parcels. It is well known to the insiders such as Jacky Rigaux (Henri Jayer's pupil and biography writer) and French leading critic Michel Bettane, who wrote in his authoritative annual guide Bettane & Desseauve: "we recommend that you buy the wines of this domaine before the market discovers it and snaps up all its stocks". Rigorous work in the vineyards to keep the yields extremely low and strict sorting at harvest ensure that only the best grapes go to the fermentation vats. The domaine's philosophy is to respect terroir through traditional wine-making: only indigenous yeasts are used and no technical manipulation throughout vinification and élevage. Sigaut's wines are pure, precise and highly expressive of their terroir. The hallmarks of these wines, however, are their seductive perfume and fruit as well as silky, caressing mouthfeel even at young age, characteristics that Chambolle-Musigny is famous for. Vibrating with energy and minerality, Sigaut's wines can also age for a considerable period of time.

Domaine Robert Groffier

Our Portfolio Winery

Year after year the Domaine Robert Groffier produces wines that rank with the greatest in Burgundy. Not only are they elegant, rich and concentrated, but each "cru" truly reflects its respective "terroir". A high proportion of old vines, ... 40 years and more, as well as prime locations and constant attention to the vines during the growing season, all contribute to the greatness of the Groffier estate.

The work in the vineyards with two green harvests and one "effeuillage" is followed by two "tries" during the harvest, cold maceration of the grapes during one week, ageing on the lies, no racking, no fining and no filtration.
